Dear Sarah,

It was nice speaking with you today. As discussed, I have enclosed information on Tony Feher: bio, press and slides. We will need to know as soon as possible if there is any press you wish to reproduce. I will be happy to give you the phone numbers of writers so that you may obtain their permission.

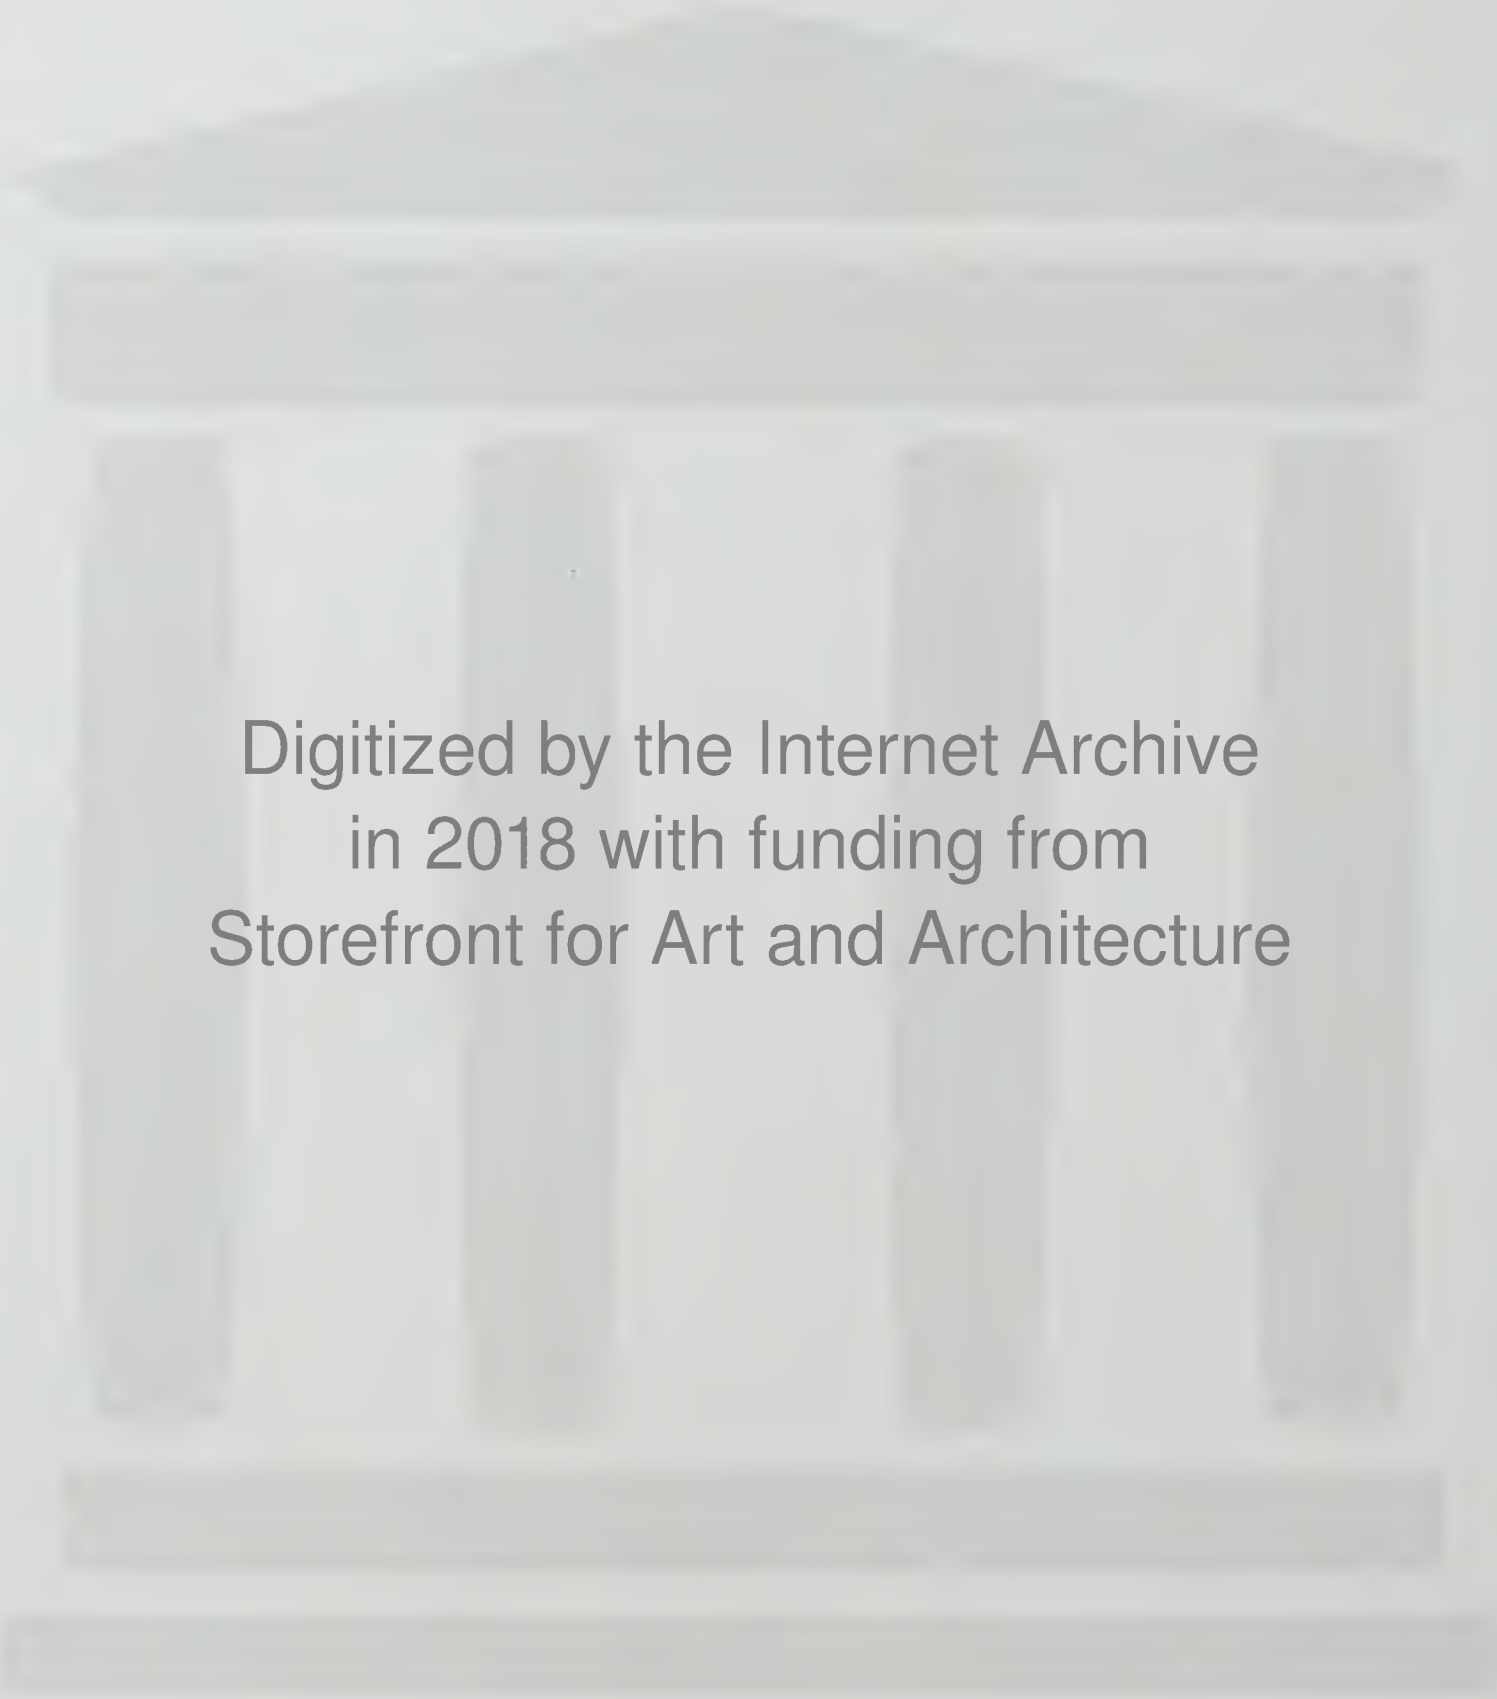

We do not intend to send out a mailing of the newspaper. We would prefer to receive a stack of copies for our archives and to distribute on our own.

If you have any questions, please do not hesitate to call.

With best regards,

Jaime Weitzman

Dear Sarah,

Please find attached a certificate for the work I have donated to your exhibition of the Tony Feller works to be shown in your upcoming exhibition. As we discussed last week, I would like to have a copy of this certificate of ownership attached to the photo catalogue for the formality, but in the absence of an original document, I believe this would be best.

Good luck with the exhibition.
